

Project Demo Planning

Date	15 July 2026
Team ID	XXXXX
Project Name	FinRelief AI – AI Powered Debt Relief & Financial Recovery Platform
Maximum Marks	1 Mark

Project Demo Planning:

This document outlines the demonstration plan for the FinRelief AI – AI Powered Debt Relief & Financial Recovery Platform. The demo showcases how the application helps users manage loans, analyze financial health, and receive AI-powered debt settlement recommendations. The presentation is structured to clearly demonstrate the application's features and workflow.

Demo Plan

S.No	Demo Section	Description	Duration (mins)	Responsible Member
1	Project Introduction	Introduce the project objectives, problem statement, and motivation behind FinRelief AI.	2	Jalli Ratna Mahitha
2	System Architecture	Explain the frontend, backend, database, AI integration, and overall workflow.	2	Jalli Ratna Mahitha
3	User Authentication & Loan Management	Demonstrate user registration, login, profile management, and loan management features.	3	Jalli Ratna Mahitha
4	AI Financial Analysis	Show financial health analysis, debt assessment, and AI-generated settlement recommendations.	3	Jalli Ratna Mahitha
5	Dashboard & Reports	Demonstrate dashboards, charts, repayment progress, and loan statistics.	2	Jalli Ratna Mahitha
6	Conclusion & Q&A	Summarize the project, discuss future enhancements, and answer evaluator questions.	3	Jalli Ratna Mahitha

Demo Flow Summary:

Step	Activity	Notes
1	Introduction & Problem Statement	Explain the challenges faced by people struggling with debt management and loan repayment.
2	Solution Overview	Present the architecture, technology stack, and AI-powered workflow of FinRelief AI.
3	Live Feature Demonstration	Demonstrate login, loan management, financial analysis, AI recommendations, dashboard, and reports.

4	Q&A Session	Address evaluator questions and explain future improvements such as cloud deployment, payment integration, and advanced analytics.
